

CELSI 
...the future of fire

PREMIUM ELECTRIC FIRES COLLECTION 2022

WELCOME TO CELSI

At Celsi we know how important it is to create a stylish and relaxing living environment. That's why we've developed this collection of premium electric fires.

I believe our success stems from a combination of innovative design, investment in technology and the highest quality manufacturing standards. To reflect my belief in their quality and durability, Celsi fires carry a minimum of 2 years guarantee, with some models extended by a further 3* years limited warranty.

This brochure has been designed to make the purchase of your new Celsi heater as simple as possible. I hope you find it both informative and inspiring.

ADVANCED FEATURES

THERMOSTATIC HEATING

Pre-set your heat comfort level for automatic temperature control via the handset.

TIMER FUNCTION

Programmable 7-day heating timer with hourly on/off control.
Up to 8 hrs sleep timer facility available on some models.

LED EFFICIENCY

From controllable flame picture and fuel bed brightness, to colour changing mood lighting, our onboard LED's ensure effective energy saving low power consumption.

ISOFLAME

Independent flame effect capable of displaying in isolation when no heat is required from the appliance.

FLAME FUSION

Captivating Indigo blue flame feature creates a colourful impression by fusing soft and natural yellow flames with an attractive flare of blue flame intensity.

COLOUR CYCLE

Fix your favourite or go dynamic as you cycle through an array of impressive colour changing fuel bed options.

MOOD LIGHTS

Enhance your experience with an ambient stream of colour rich soft LED lighting. Select from a choice of colours to compliment both warm and cool home interiors, or simply to suit your mood.

ECODESIGN COMPLIANT

Integrated design features for optimal energy saving performance and assurance.

We are confident you are getting a product that is built to last. That's why we offer a 2 Year full Guarantee across our electric fires range, with an extended 3* years limited warranty on selected Celsi models.

There is no more versatile fuel for home heating than electricity

With a range that includes beautifully crafted electric suites, feature fireplace wall models, classically styled hearth inset fires, and contemporary stove designs, there is a Celsi fire to suit any home.

Best of all you are free to enjoy any of these fantastic heating appliances in any room in your home simply by plugging into the nearest mains socket.

To learn more about the features and benefits of owning a Celsi electric fire please sit back and take a few moments to look through our Advanced Features section, along with our technology introduction to assist you in choosing your perfect Celsi fire experience.

SUITES - E-VR Volare 1100

STOVES - E-VR Rochester

WALL FIRES - U-VR Vichy Satin Champagne

HEARTH FIRES - U-VR Camber Satin Silver

Virtual Reality – Advanced Flame Projection

View our latest range of Electrifiame VR '3-Sided Glass Fires and Suites' for superior flame aesthetics. This latest patented design raises the appearance and functionality of electric fires to a new level.

Conventional electric fires feature flames on a flat screen at the rear of the product, with E-VR Flame Projection Technology we create the flame illusion to the front, the centre, and the rear of the fuel bed. This creates a totally natural log fire effect, within a range of free-standing Suites, wall mounted fires, hearth inset fires, and outset Stoves.

Outset Suites

Xtra Dimensional – High Definition Fire

Electrifiame XD is a 'Glass Fronted' extra deep fuel effect with high definition 3D flames. The E-XD range features impressive landscape 'hang-on-the-wall' fires framed with natural stone, premier board, and full glass fascias.

Our hearth inset fires and stoves provide a wide selection of designs that complement both modern and traditional home interiors.

DISCLAIMER

Our policy is one of constant development and improvement. We therefore reserve the right to revise designs and specifications of our products without formal notice, patents pending. We always recommend our products be viewed in an approved showroom before purchase. Whilst we have taken every care in the preparation of this brochure it is not intended to replace the installation manual which provides more detailed information.

Photography is for illustration purposes only and although every effort has been made to ensure accurate reproduction of typical installations and flame pictures they may vary according to fire model and flue types.

We accept no liability for any loss or damage arising directly or indirectly from the use of this brochure.

We recommend that all our fires are used in conjunction with central heating and not as a primary source of heat.

In the interests of personal safety a suitable fireguard is recommended when children, the elderly and the infirm are present.

This brochure is copyright 2022 and must not be reproduced in whole or in any part without prior written permission.
