Suite Overview	44-47

Barley White is a great affordable choice if you would like an even and consistent stone finish. Moulded from crushed marble and specially developed resins, our Barley White micromarble feels like real stone with a polished finish.

They are solid and cool to touch and are popular due to their easy wipe-clean finish. A one-piece mantel can also be supplied.

Available made to measure.

### BARLEY WHITE MICROMARBLE

Similar to our Barley White micromarble but with the added addition of subtle white, wispy veins. Tuscan Pebble is a great affordable choice if you would like an even and consistent stone finish. Moulded from crushed marble and specially developed resins, our Tuscan Pebble micromarble feels like real stone with a polished finish.

They are solid and cool to touch and are popular due to their easy wipe-clean finish. A one-piece mantel can also be supplied.

Available made to measure.

### TUSCAN PEBBLE MICROMARBLE

Regal Stone is a great affordable choice if you would like an even and consistent stone with a honed, satin smooth finish. Moulded from crushed marble and specially developed resins, our Regal Stone micromarble feels like real stone.

They are solid and cool to touch and are popular due to their easy wipe-clean finish.

Please note we are unable to offer a made to measure service on this micromarble.

### REGAL STONE MICROMARBLE

Formed over 50 million years ago and quarried in Portugal. The characteristic darker veins, intermingled with fossils of plants and animal life all add up to the beauty of this natural stone. Blooms and wisps of fossilised leaves are not considered defects but part of the experience.

Available made to measure.

## PORTUGUESE LIMESTONE

Although not pictured in this brochure, we are able to supply all of our suites in Corinthian Stone as a special order. Quarried in the Western Mediterranean, this honed limestone has a rich sandy colour that provides a delicate warm feel. Its background composition is magnified with unique small fossils and random sedimentary veining.

Available made to measure.

## CORINTHIAN STONE

Although not pictured in this brochure, we are able to supply all of our suites in Aegean Limestone as a special order. Sourced from the Eastern Mediterranean, our Aegean Limestone fireplaces are beautifully unique in character. Each one has its own individual fossil formation, veining and colour so no two are the same.

Available made to measure.

Portuguese Limestone

## Lyrel 52"

(52" dimensions)

The Lyrel 52" Portuguese Limestone suite is a fine choice for those seeking a perfectly balanced, consistent and contemporary style mantel.

Pictured to the left with the Pulsar gas fire and Mizar Antique Brass fireframe. The Lyrel is also available with LED ambient lights as pictured above when fitted with the Voltek 22 electric inset fire. Please note lights are not recommended for the Lyrel when fitted with a gas fire due to the position of the transform.

**The Lyrel is available made to measure, no matter what size, we can offer a completely tailored service. Please refer to pages 46-47 for stocking and material availability.**

**ambient  
lights**
